Engine for 2002 Pontiac Sunfire | TascaParts.com

I have a 1996 Pontiac Sun fire. It has a 2.2 L engine and I HATE IT. Its slow and sluggish. The motors got 130.000 miles on it. So it old. I broke down the motor and it looks really good. No metal shaving anywhere. It was a well Maintained car. I have been looking around the site and I see not many people do anything with this type of motor.
