Occult Vibrations — William Q. Judge

Based on rate or speed of vibration, it moves up or down the vibratory scale as a higher and lower vibration separated only by 'degrees' within the same frequency. One scale that's comprised of seven levels or degrees of the same thing, all exist embedded 'within' each other as outgrowths that form a progressive growth process as an accumulative affect.

Vibratory Scale, Planes of Existence, and Parallel ...

You must cultivate your new vibration pattern day by day. Your main frequency of vibration will increase little by little. You will have ups and downs because to be in a high frequency of vibration is a habit. The more often you are in a high frequency of vibration, the less it will go back down and if it goes down it will not stay down for long.

The Law of Vibration and How to Manipulate it. | Light ...

Atomic weight alone is a matter of frequency of vibratory rates. Though, while I believe our spiritual pursuits must be grounded with the aid of logic and reason, I think we should also take care not to become overly analytical or obsessed with "proving" the occult in contemporary scientific terms, IMHO.
