Even though this rhetoric of protecting those in need is well used by the international community, its application in practice has been erratic at best. In *International Responses to Mass Atrocities in Africa*, Kurt Mills develops a typology of responses to mass atrocities, investigates the limitations of these responses, and calls for such responses to be implemented in a more timely and thoughtful manner.

Project MUSE - International Responses to Mass Atrocities ...

Precisely this question constitutes the linchpin of Kurt Mills' book *International Responses to Mass Atrocities in Africa - Responsibility to Protect, Prosecute and Palliate*. In seeking to shed light on it, Mills tries to combine a historical ("have") with an analytical ("can") and a normative ("should") approach and weave them into a coherent narrative.

Review - International Responses to Mass Atrocities in Africa

Mills considers four cases of international responses to mass atrocities-in Rwanda, the Democratic Republic of the Congo, Uganda, and Darfur-putting the cases into historical context and analyzing them according to the typology, showing how the responses interact.

International Responses to Mass Atrocities in Africa ...

Kurt Mills, Senior Lecturer in Human Rights at the University of Glasgow, has produced a well-organized and well-written study on responses to mass atrocity. By the latter term he refers to the usual understanding: genocide, crimes against humanity, major war crimes, and/or ethnic cleansing.

International Responses to Mass Atrocities in Africa ...

Mass atrocities are generally understood as genocide, war crimes and crimes against humanity, but many other human rights abuses are committed in conflict-affected contexts. There are a range of responses to these abuses, particularly by national and international actors, constituting international criminal justice and transitional justice.

Responding to mass atrocities and human rights abuses - GSDRC

RESPONSES TO MASS ATROCITY. International Criminal Law. This body of law conceives the wrongdoers as individuals, and the victims chiefly as groups. With regard to wrongdoers, the International Law Commission and Rome Statute for the International Criminal Court reject the concepts of state criminality and of corporate criminal liability.
