Intro To Land Law

Introduction to Land Law. Land Law focuses upon the uses and supply of land. It looks to facilitate how an owner of land may use it or moderate how others do so; this relationship can develop into 'interests' in the land. This module will examine the different interests that a person may have in land and how the law seeks to resolve conflicts ...

An Introduction to Land Law

This chapter provides an introduction to land law. Land law is the law of real property. It is 'that part of the general law which governs the allocation of rights and responsibilities in relation to "real" or "immoveable" property'. Land law is about rights in things; in other words, rights in the land rather than rights which are merely personal to the people who created them.

1. Introduction to Land Law - Law Trove

SECTION 1 INTRODUCTION 29.1.1 Land law in Singapore is based on English land law. English land law was received here together with other English law and doctrines by virtue of the Second Charter of Justice 1826. This provided for the English doctrines of tenure and estates and other real property concepts to apply in Singapore.

Property law, principles, policies, and rules by which disputes over property are to be resolved and by which property transactions may be structured. What distinguishes property law from other kinds of law is that property law deals with the relationships between and among members of a society with respect to "things." The things may be tangible, such as land or a factory or a diamond ...

Property law | Britannica

Property refers to legally protected claims to resources, such as land and personal property, including intellectual property. Property can be exchanged through contract law, and if property is violated, one could sue under tort law to protect it. The concept, idea or philosophy of property underlies all property law.

Property law is enabling in that it creates a system for evidencing, recognising and transferring title to land, facilitating its use as an economic instrument. Other legal instruments in property law that facilitate the private and commercial dealing of land include the mortgage, lease, covenant and easement.
