King of the Mountain (1981) - IMDb
The King of the Mountains is the title given to the best climber in a cycling road race; usually and officially known as the Mountains classification. For women's cycle racing, a similar term, Queen of the Mountains is used. While the title may be given to the rider who achieves the highest position over several designated climbs in a single-day road race, it is more usually applied to stage races where points are accumulated over the duration of the whole race. In the Tour de France, at the top
