Books similar to Lost Mountain: A Year in the Vanishing ...

In this book, Erik Reece reports on his multi-year observations at the tragically named Lost Mountain in Eastern Kentucky, which suffered the ugly fate of mountaintop removal mining. Reece made monthly visits to Lost Mountain, and offers a melancholy journal of the death of this once vibrant forested hill, as coal operators transformed a lush environment into a literal rubble heap.

Lost Mountain: A Year in the Vanishing... book by Erik Reece

I read Lost Mountain by Eric Reece. The subtitle pretty much says it all: A Year in the Vanishing Wilderness; Radical Strip Mining and the Devastation of Appalachia. This is a terrible and wonderful book, simultaneously fascinating and horribly guilt inducing, one of the most depressing books I have ever read.
